

FROM MY PERSPECTIVE

▶ **BEST-KEPT SECRET ABOUT ST. LOUIS:**

"THIS IS ONE OF THE MOST PHILANTHROPIC COMMUNITIES IN THE U.S. PEOPLE HERE ARE INCREDIBLY GENEROUS."

▶ **FAVORITE BUSINESS-RELATED DREAM:**

"A RENTAL CAR – I WON'T SAY WHOSE – IN EVERY DRIVEWAY!"

ANDY TAYLOR

CHAIRMAN AND CHIEF EXECUTIVE OFFICER, ENTERPRISE RENT-A-CAR

ANDY GOT HIS START IN THE BUSINESS WORLD AT 16, WHEN HIS FATHER PUT HIM TO WORK WASHING CARS.

Ideal for Growth

"Nearly 50 years ago, my father founded Enterprise Rent-A-Car here with seven cars. St. Louis gave our company a chance, and Enterprise flourished – becoming, eventually, the largest rental car company in North America. With a community rich in world-class educational institutions, the St. Louis area offers people who are well-educated, work hard, and look out for one another – good attributes for any corporate culture."

St!Louis

Perfectly Centered. Remarkably Connected.
